

## Advocate Swears In Council for 1956-57

• THE 1956-57 STUDENT COUNCIL was sworn in last Wednesday night at the outgoing Council's final meeting.

Administering the oath to newly-elected President Joe Hince, and other new members was Advocate Jerry Reinsdorf, who will also serve as advocate for the coming year.

Before the last meeting of the outgoing Council ended, retiring President Roy Barnard was presented with an engraved gavel by Norman Cohen, outgoing vice-president, who made the presentation on behalf of the Council as a token of the Council's appreciation for the job he has done as their leader.

In addition to Mr. Hince, other newly-elected Council members are: Ray Garcia, vice-president; Jerry Reinsdorf, advocate; Jim Newheiser, comptroller; Ruth Reagan, secretary; Herb Silver, member-at-large; Doris Rosenberg, activities director; Kathy Denver, program director.

Also, Myra Little, freshman director; Bernie Passeltiner, publicity director; Bob Shuken, Student Union chairman; Betsy Evans, Junior College representative; Sandra Shoemaker, Columbian College representative; Tom Smith, School of Government representative; Ronald Lubman, School of Pharmacy representative; Ray Klein, Law School representative, and Howard Davis, Engineering School representative.

Following the installation, old and new Council members and Miss Virginia Kirkbride, director of women's activities, attended a late dinner as guests of University President Cloyd H. Marvin. Dr. Marvin delivered a brief talk, in which he thanked the outgoing Council members for their "magnificent work." After his talk, Dr. Marvin turned the program over to Mr. Barnard, who then called on each member of the old Council to say a few words.

## PiDE Holds Competition

• PI DELTA EPSILON, national journalism honorary, has announced its annual editorial and news story contest.

The national competition is open to all University undergraduates who have had news stories or editorials published in the HATCHET during the 1955-56 school year. Contestants need not be members of the Pi Delta Epsilon chapter on campus.

Deadline for entries is June 30. Each entry must be accompanied by a statement signed by an officer of the HATCHET, certifying that the contestant is a regularly enrolled undergraduate at the University.

First prize in the contest is \$20; second, \$10 and third, \$5.

Entries should be submitted to the fraternity's contest director, Dr. Herman A. Estrin, Department of English, Newark College of Engineering, Newark, N. J.

Further details on the contest are available in the HATCHET office.

## Homecoming Band

• HOMECOMING Co-chairmen, Beverly Borden and Dick Jambofsky, would like your opinion on the homecoming band. Number your choices in order of preference and turn in to the Student Activities office.

## Acacia Gets Censure For Closed Night

• THE 1955-56 STUDENT Council at its last meeting censured Acacia fraternity for violation of a closed night.

The Council voted to give the fraternity the option of six months' social probation, excluding the period of formal rush, or a \$75 fine as punishment for holding a banquet and dance the same night as May Day, a closed night.

A closed night is the term given to an all-University event or a Colonial Series program event. No campus groups are permitted to hold events on these nights so that conflicts will not occur. The dates of these nights are published on the activities calendar, printed the previous summer and available to all students.

### Advocate

Advocate Jerry Reinsdorf brought the charge against Acacia, recommending that the fraternity be fined \$50 or placed on six months' social probation, excluding rush. During the course of discussion and debate that followed, however, the fine was raised to \$75.

Acacia alumnus Howie Roberts and president Dick Nelson were at the meeting to defend their fraternity. Mr. Roberts argued that Acacia did not know May Day was scheduled for the same evening as the banquet, until the week before. Mr. Roberts informed the Council that when he did learn of the conflict it was too late to change the date, but said he did try to change the time so the conflict would not be so great. As a result of his efforts, the dance was moved up to 11 p.m., to give Acacia members an opportunity to attend the May Day festivities.

### Conflict

Columbian College representative Rosa Wiener brought out the fact that she had told Mr. Roberts of the conflict three weeks prior to May Day. Mr. Roberts replied that it must have slipped his mind.

After the decision was made, Mr. Roberts announced he would appeal the Council's decision to the Student Life committee.

The committee upheld the Council.

## Editors Name Sub-Editors

• NEW HATCHET Editors Ernest Auerbach, Carolyn Cronin, Bobby Holland and Paul Welch announced the sub-editorial staff for next year at last Tuesday's meeting.

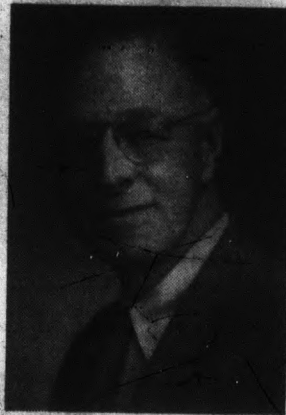

Betsy Evans will be news editor; Kitty Maddock, copy editor; Doris Rosenberg will be features editor with Susan Lefavour as associate; Paul Truntich will be sports editor.

Mary Hoffman will continue as office manager in charge of photographic, biographic and cut files. Business manager, Jerry Reinsdorf, has announced the appointment of Gene Horowitz as advertising manager.

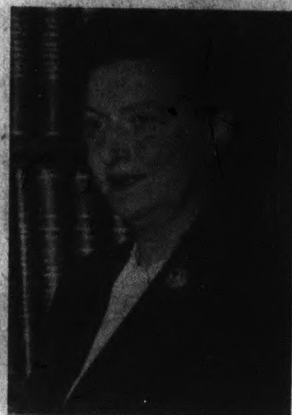

This summer the editors will conduct workshops in news and feature writing for staff members and all those interested in working on the HATCHET in the fall. A revision of style sheets and changes in the physical makeup of the paper will be undertaken.

The sub-editors will also hold summer planning meetings. Next year, as in the past, the HATCHET will hold its assignment meetings on Tuesdays at 7:30 p.m.

## University Chooses Two New Trustees

Dr. Daniel Le Ray Borden

Miss Helen Newman

• DR. DANIEL L. BORDEN, director of the University health administration, and Helen K. Newman, librarian of the U. S. Supreme Court, have been elected to membership on the University Board of Trustees.

They were nominated by the University's General Alumni Association.

## 46 Receive Scholarships

• FORTY-SIX SCHOLARSHIPS have been awarded to University students for the academic year 1956-57, as announced by the committee on scholarships.

A few grants remain to be awarded, and decisions on renewable scholarships will be made when grades for this semester are available, according to Dean Burnice Jarman, chairman of the committee.

Receiving scholarships are Marion Manning, Bernard Prenskey and Jean Thorne, American Foundation for Pharmaceutical Education scholarships; Jeannine Miller, American Society for Women Accountants scholarship; Frances Press, Byron Andrews scholarship; Randi Rosvoll, Anna Bartsch scholarship, and George Liss, Everett Lamont Bradley scholarship.

### More

Also Jerry Kaminetzky, Henry Harding Carter scholarship; Wayne Davis, Maria M. Carter scholarship; Phyllis Mignone, Chi Omega Alumnae Association scholarship; Orron Kee, Henry Parsons Erwin scholarship; Joan Duke Gates, Anna Hampel scholarship; Frances Foltz, Hazelton scholarship; Violet Bowen, Elmer Lewis Harvey scholarship; and Carol Dalton, Kappa Alpha Theta scholarship.

Also Robert Sampson, A. Morehouse scholarship; Carolyn Cronin, D. C. Panhellenic Association scholarship; Robert Ruckart, Paul Pearson scholarship; Doris Weinberg, Phi Delta Gamma scholarship; Janace Hamilton and Robert James, Jr., Lila M. Shepard scholarships; Mona Koppel, David Spencer scholarship; Irena Krivickas, Mary Lowell Stone scholarship, and Meredith Eagon, John Withington scholarship.

Recipients of Emma K. Carr scholarships are Eugene Lambert, John Canfield, Edmund Crump, John Terauds, Frank Papp, Jr., Paul Truntich, Edward Gatewood, Thomas Johnson, James Perschy, Michael Kammen, Alan Mighell and David White.

### And More

Eugene and Agnes E. Meyer scholarships have been awarded to Dulcey Brown, Paul Douglas, Charlene McDonald, William Riggsby, Otto Ulrich, Jr., Marion Green, Kay Maddock, Sandra Lee Thompson and Ruth Wexberg.

Dr. Borden received his M.D. with distinction from the University in 1912. He has served as a member of the staff of the University School of Medicine since 1912 and was named professor emeritus of surgery in 1953. In 1953, he was awarded the University Medical Society's award of merit, in recognition of his service in two world wars, his contribution to surgical literature and his pioneer work in photographing surgical operating procedures.

### President

Dr. Borden has served as president of the University's Medical Society and General Alumni Association, and as president of the District of Columbia Medical Society and of the Academy of Surgery of Washington, D. C. He is a member of the American Board of Surgery, the American College of Surgeons, the Southern Surgical Association and the American Medical Association. He is a member of Sigma Xi, national scientific honorary; Omicron Delta Kappa, men's national leadership honorary; Phi Chi, national honorary medical society, and Delta Tau Delta, national social fraternity.

Miss Newman was reelected to a second six-year term. She received her L.L.B. with distinction from the University in 1925 and her L.L.M. in 1927. She served as secretary of the University Law School for seven years, and as law librarian for the University for fifteen years. She became associate librarian of the Supreme Court in 1942 and librarian in 1947. In 1947, Miss Newman received the University's alumni achievement award and this year was awarded the distinguished service award at the Golden Jubilee assembly of Delta Sigma Rho, national forensic honorary.

### Societies

She served as president of the American Association of Law Librarians and of the Law Librarians' Society of Washington. She is a member of the Bar of the Supreme court; the American Law Institute; the American Judicature Society; the American Bar Association; the Federal Bar Association; the National Association of Women Lawyers; and the Soroptimist club. Her fraternal membership are Order of the Coif, national legal honorary society Delta Sigma Rho, Kappa Beta Pi, legal sorority, and Chi Omega, national social sorority.

## Group Plans For Carnival

• THE 1956 SUMMER carnival, built about a theme of "Caribbean Holiday Cruise," will be held July 27 from 8:30 to 11:30 p.m. on Lisner terrace.

Seventeen students and faculty members met last Friday in the Faculty Club for the first planning session of the event.

The carnival will feature concession booths managed by the Student Council representatives from each college in the University. Each college will present an eight to ten-minute skit on the Caribbean holiday theme. The evening will also include social dancing on the terrace. The program is open to all University students, faculty, alumni and friends.

### Chairman

Doris Rosenberg, Student Council activities director, is general chairman of the program. Assisting her will be Elizabeth Burtner, associate professor of physical education for women; Ed Ferero, assistant to the director of men's activities, and Donald C. Kline, professor of art.

The entire summer recreation program at the University will include six social and square dances on Lisner terrace.

The dance program will open with a reception and social dance June 22 from 9 to 12. A square dance is scheduled June 27 from 8:30 to 11 p.m.; a social dance July 6, 9 and 12; square dances July 11 and July 18, 8:30 to 11 p.m., and a social dance August 3, 9 to 12.

The University will sponsor a program of instruction in social and modern dancing from June 21 through August 1.

### Dance Lessons

Social dance lessons will be given Tuesday and Thursday, 7:10 to 8:30 p.m., with an instruction fee of \$3. Beginning and intermediate lessons in modern dance will be given Tuesdays and Thursdays, 6 to 7 p.m., and intermediate and advanced lessons, 7:10 to 8:30 p.m.

## Students Win High Awards

• ACTIVITY PRIZE WINNERS honored during the May day assembly were omitted in last week's HATCHET because of space limitations.

The Pi Beta Phi prize of \$20 to the senior woman who has done the most constructive work in the promotion of student activities was given to Barbara Harvey.

The Omicron Delta Kappa prize to the member of the senior class who has done the most constructive work in building up student activities was presented to Dick Sincoff.

Beverly Borden was presented the \$10 Alpha Delta Pi prize for the woman member of the junior class with the most outstanding record in scholarship, extracurricular activities and service to the University.

## Library Exhibits Textile Designs

• A NEW EXHIBIT, "Modern Design in Ancient Art" opened May 9 at the University library. On loan from the Textile Museum in Washington and arranged by the museum's director, Rene Batigne, the show will feature rugs, tapestries and textiles from all over the world. It is designed to show evidence of the emergence of modern design from the art of 2000 years ago.

Included among the 75 exhibits are works from Persia, Indonesia, India and North and South America. This show is the fifth in a yearly series sponsored by the Textile Museum.

John Russell Mason, University librarian and curator of art said this week, "I think students will enjoy this show, particularly because it does show modern design in the ancient arts."

# Boosters Plan Support For Athletic Program

• **THE COLONIAL BOOSTERS BOARD** is planning vigorous Boosters support for the 1956-57 University athletic program.

The board has been giving its attention to the problem of seating at basketball games. One solution under consideration is to have the boosters books good for only one seat per game instead of two seats.

The boosters book will continue to be good for two seats at football games. Four home games are scheduled for the fall season, with a possible train cavalcade for an away game. The booster book might also contain a coupon for an alumni-varsity game.

The program for the coming school year will include sorority and fraternity point competition for the Boosters cup, based on membership in the Boosters, house and car decorations for games and attendance at pep rallies. "George and Martha," the Colonial mascots since 1948, will be seen at games and pep rallies in new costumes, leading the cheers. Their identity will be a carefully guarded secret until they are unmasked at Homecoming.

The Boosters will also try to encourage a more widespread use of the Colonial flag.

The Boosters board is composed of general chairman, Neil Shpritz, and nine committee chairmen. Inez Tonelli is pep rally chairman,

charged with arranging pep rallies and providing cheer cards. The transportation chairman, Bob Shuken, arranges car and train cavalcades to the games. Half time entertainment and skits for the rallies are handled by Herb Silver. The Boosters section chairman, Jerry Roemer, has the job of providing a reserved student cheering section at home games.

Other committee chairmen are Joan Duke Gates, secretary; Ed Crump, membership; Meredith Eagon, publicity; Dick Nelson, special projects, and Jim Newheiser, treasurer.

The annual membership drive will begin in the first week of school next September. Membership books will cost \$1.25 and entitle the holder to seats in the Boosters section at games. Membership is included in the Campus Combo. Members will receive free booster buttons, shakers and noisemakers.

The Boosters board will continue to meet on alternate Tuesdays during the summer, beginning June 12 at 7:30 p.m., in the Boosters office.

## A Good Year

• WITH THE ARRIVAL of the new and in every way improved CHERRY TREE Friday, the extra-curricular portion of the school year slowed to a halt. This editorial is dedicated to the many students who have in every way contributed to campus activities in the last year, including thanks to Peggy Nichols, editor-in-chief of the yearbook, who has permanently caught between the covers of the CHERRY TREE the most memorable moments of the past three semesters.

If some of the events of this year have not been as well attended as they should have been, it has not been the fault of the people working on committees behind the scenes, but the ever-present lack of school spirit and interest caused by our size and location. Next year's Student Council has some plans to remedy this situation and we hope they will be successful. Knowing the difficulty in raising interest in University activities we all received a tremendous lift when we saw a group of enterprising students join to add another to the ranks, the rowing team. The innovation of the year was the addition of the Winter Weekend which was very successful for its first year. With elections to be held in February of next year the scheduling of events, our big complaint about the spring semester, should be improved.

We have had a good year. Let us make 1956-57 even better!!!

## Mrs. Van

• THE HATCHET would like to take this opportunity to pay tribute to a fine woman, who has helped to make this University what it is, who has helped to build up the student esprit de corps and who has supported us in all of our endeavors for years.

Now leaving the University after six years, she is at last getting a long-needed rest from a dorm-full of crazy girls who make her life one of confusion and upset.

She is, of course, Mrs. Zoa Van Winkle, hostess at Strong Hall, the smiling, white-haired lady who makes everyone feel at home in the Hattie M. Strong Memorial.

Mrs. Van has seen the girls through many troubles and lots of excitement and she has never been too busy to listen to the remorse after an exam or the thrill of a pinning.

But better yet, she has never confined her attention to the girls in Strong Hall alone. To their friends, to the fraternity boys who come to call, to the student body as a whole, she has always given support and encouragement.

Nostalgic farewells are unpleasant. They make us all feel sad. This isn't meant to be a nostalgic farewell, but simply a tribute to a fine and sincere woman, a lady in every sense of the word. We know Mrs. Van won't be leaving Washington, or at least we hope not. She'll be living in town and we hope she'll be coming back to visit. This is just a note for the record, so that she'll know she's been appreciated by us all. We hope that this knowledge will help cheer her up when she looks back over the days at Strong Hall and recalls such catastrophes as the parties that awakened her at 3 a.m., the time the plaster fell in the shower and the holes that were burned in the new Lounge rug.

Tally-ho, Mrs. Van. Good luck, and thank you.

## Boys in Blue

• LAST WEDNESDAY the University detachment of the Air Force Reserve Officers Training Corps held a Final Review. Men were decorated, the Air Force Drum and Bugle Corps performed, parents attended. But as the bagpipes echoed through the sunny air at the Lincoln Memorial, few students were seen listening.

The real reason for the poor attendance was probably lack of knowledge, we feel, and we are partly to blame. We had not gone before ourselves. Every week for four years we have seen the troops go marching down 22nd Street. But the Memorial seemed a long way to go, and so . . .

Now we feel guilty for having been lax and not having urged greater interest in the ROTC. All of us have always known that over 200 students were involved in ROTC, but somehow, numbers don't mean much until you have them explained. And they were explained last Wednesday.

We suddenly, and tardily, felt very proud of these students. And we also enjoyed a wonderful show.

At most schools, ROTC must be a much bigger thing to the students than it is here. Campuses probably help, where the proceedings can be seen and noticed. But we at the University have gotten used to doing without a campus. We support other off-campus functions, like basketball games and cruises and football games and fraternities.

So let's get out and support this one from now on and make up for the time we've lost.

## Letters To The Editors

### • TO THE STUDENT BODY:

Now that the final Combo event has taken place as successfully as the previous events, I should like to take this opportunity to thank the members of the Campus Combo Executive Committee for their excellent execution of their offices. I would further like to express my appreciation for the wholehearted cooperation of each representative who has worked toward the success of all the Combo events.

I should like to commend these people by name to the Student Body: Lucy Anstine, Carol Picton, Bernie Kovach, Phyllis Mignone, Dick Giesler, Jerry Osborne, Jack Crehore, Barbara Wolin, Joan Duke Gates, Bev Borden, Joe Hince, Norm Cohen, Kathy Denver, and Roy Barnard.

These people, chairmen of the Combo events and a portion of your campus leaders, did an excellent job in bringing to you each event.

Of course, none of this would have been possible without the support of you, the Student Body. Therefore to you, the entire Student Body, I should like to express thanks for your excellent support, cooperation, and enthusiasm. I hope that the Combo Executive Committee 1956-57 will continue to receive as much, or more support in the future.

In closing, I wish to say it has been a great year for all of us.

Bob Gray, Chairman,  
Combo Exec. Committee.

## Dean Latimer Guides Functions; Plans Trip To Stoa In Athens

by Susan Lefavour

• WHEN THE ACADEMIC procession begins at Graduation exercises on June 6, Dr. John F. Latimer will breathe a sigh of relief. For in his capacity as University Marshal Dr. Latimer plans, organizes and presides at all formal functions of the University, and the actual ceremonies mark the end of weeks of planning and coordinating.

Dr. Latimer received his Ph.D. from Yale University so his academic robe of Yale blue is a striking contrast to the black robes of the other dignitaries.

A native of Mississippi, he earned his B.A. at Mississippi State in 1922 and his M.A. from the University of Chicago in 1926. He was appointed to George Washington in 1936 and is now Professor of Latin and Greek. He is also the Assistant Dean of the College of General Studies.

### Summer Carnival

• THE 1956 Summer Carnival will be held on July 27. The theme will be "A Cruise on the Caribbean," and will be carried out in the booths along the midway and in the show.

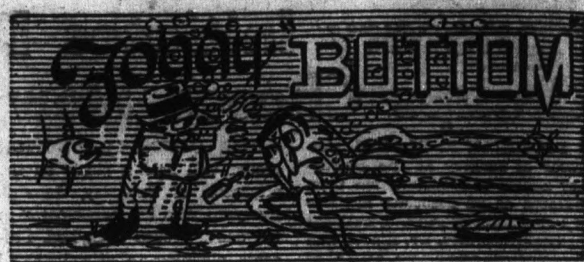

Positions are now available on such carnival committees as make-up, costumes, props, yard decorations and promotion.

All students interested in working on one or several of these committees are asked to sign up in the Student Activities Office on the first floor of the Student Union Annex.

zones. He was recently selected for promotion to captain in the Naval Reserve.

In April Dr. Latimer was re-elected President of The Classical Association of the Atlantic States at their annual meeting in Baltimore. He also made the headlines at that meeting when he gave an address criticizing modern "split level" education. He noted the trend in "underestimating a student's intelligence and mistaking lack of interest for lack of ability."

In that fall he will publish a

• WHAT HO! Again we meet to look over the events which alter and illuminate our times . . .

Sigma Nu's banquet and party on Saturday night was definitely the most, with sports manager John Harrison presenting the intramural trophies won this year by the chapter, and Roy Barnard taking office as new president (this boy never rests). On hand to enjoy Ann's cooking were Bob Cantrell and SN Girl Dotty Munroe; Reed Kerns and Barbara Baldauf, KAT; Larry Chlopek and Sally Filipovich, DG; Dick Solorzano and Nancy Wilson, PiPhi; Ray Garcia and Lois Cobb; Max Wasserman and Linda Kerr, KAT; Bob van Horn, Bob Shaheen, Chuck Jensen, numerous alumni and friends. Goodwill abounded, and great things happened . . .

This is the season when fraternity queens are crowned, and last week included new honors for three co-eds, thusly:

Phi Sig's last party of the semester culminated the year's events with the crowning of Apple Blossom Princess Judy Jeeves, PiPhi, as new Moonlight Girl. Janet Vinnelson, DG, and Ruth Berryman, Pi Phi, the 1955 and 1954 sweethearts, were on hand to celebrate the coronation. Present were many, many people, including Sara Jane Miller, PiPhi, and Jim Biller; Kappa Judy Jaudon and Walt Propps; Nancy Schmidt with the "High Priest of

Rock and Roll," Steve Gerachis, complete with monkey's paw . . . right, Bill?

At the SPE Heart Ball, ZTA Joan Nichols became 1956 Queen of Hearts, with Anne O'Keefe and M.D. U. Pi Phi Diane Sowell comprising her court. Emcee Jim Owens gave the outstanding pledge award to Dave Glendenning, and Connie Ibara and Bill Kook were pinned. It was a big evening, and among the celebrities present were Dick Wardell and DG Nancy Niclsen, O'Neil Meyer and SK Ellie Ready, and Garwood Platt and Diane Newmeyer. Sunday afternoon found SPE still celebrating—this time the winning of the softball title in intramurals, under the direction of Bob Schmidt.

The PIKA Dream Girl Dance was held at the Court House Country Club on Saturday night. Loydell Jones, KKG, was crowned 1956 Dream Girl of PIKA, to the great pride of John Posta. The court included PiPhi Bonnie Borden, with Lee Jameson; Cece Le Stourgeon, with Joe Hince; PiPhi Nita Nowlin, with Hank Hobbs and ZTA Ruth Reagan, with Fred Dibbs. Partying, dancing, celebrating were Mike Sileo and Connie Donahoe, Jack Jolly and Bev Giss, Ed Rutsch and Marilyn Greer, Dick Spradlin and Shirley Smith, Ross Niosi and Sandy Shoemaker . . . Toodle.

#### Travel To Greece

In August Dr. Latimer will travel to Greece to represent the University at the dedication of the Stoa of Attalos in Athens. The ceremonies will mark the 75th anniversary of the American School of Classical Studies at Athens. The Stoa will house all the important discoveries made by the School.

Although this will be Dr. Latimer's third trip to Europe he is

looking forward to it and is already planning the pictures he hopes to be able to take.

Mrs. Latimer is a celebrity in her own right. Last year she was President of the Washington League of Women Voters and last week she was elected as second Vice President of the National League.

#### Football And Tennis

Dr. Latimer says he's resigned to become a TV spectator of football and tennis. It's hard to see where he finds time to even sit that in.

He and Mrs. Latimer make their home at the Broadmoor on Connecticut Avenue.

## Activities Queen Mixes Brains With Personality

by Doris Rosenberg

• BRAINS, BEAUTY and activities characterize the year's lovely May Queen, Sally Ricci.

Everyone who knows Sally will testify to her beauty and charming personality; and her Chi Omega alumnae scholarship is proof of her GPI. As for activities—well, why do you think she won the title of May Queen?

#### Active Four Years

Claimed last fall by Who's Who in American Colleges and Universities, Sally has been active in campus life for her entire four years at the University, and has "thoroughly enjoyed" every minute of it.

Student Council and the Traveling Troubadours top Sally's long list of activities. She is very enthusiastic about her work on the council and has gotten a "tremendous personal satisfaction" from it.

As for the Troubadours, Sally is an ardent member and has "enjoyed the Troubadours and traveling more than anything else" at the University.

One of the happiest and most exciting moments of Sally's college career came just eleven days ago, when she learned she had been voted 1956 May Queen. Arriving late to Lister on the evening of May Day, Sally had "just sat down and was all out of breath" when Joan Gates told her the good news. Was she surprised? "I was floored!" she said.

#### Future Plans

Our May Day Queen's future plans include a summer trip to Europe, following graduation next month, and then a job teaching speech correction in schools or working for the Public Health Department.

# Sincoff Follows Lead Of Outstanding Sis

by Doris Rosenberg

• "OUTSTANDING" and "Sincoff" have come to be synonymous around the George Washington University campus, a fact which Omicron Delta Kappa recently noted when it presented its annual "Outstanding Senior" award to Dick Sincoff.

The name Sincoff first became prominent at this University almost six years ago, when Dick's older sister Ellen entered George Washington. Ellen gained the admiration and friendship of all who came to know her during her brilliant career at the University, and Dick has more than followed in her footsteps.

Outstanding in a great many ways, Dick was nominated to the ranks of "Who's Who Among Students in American Universities and Colleges" last fall. Since that time, he has continued to live up to the high standards of "Who's Who," while managing to get a 3.8 last semester at the same time!

## Numerous Capacities

Dick has served the University in numerous capacities, some of

which have been secretary of ODK, Senior Men's Honorary; active member of the Hillel Executive Board for three years; president and treasurer of Alpha Theta Nu, scholarship holders' honorary; and senior staff sports writer on the HATCHET.

Student Council and Old Men top Dick's impressive list of contributions to University life. Indeed, Old Men owes its very existence to Dick, for he was the first to seriously think of organizing such a group, and the one who, together with Jim Swisher, initiated plans for the creation of Old Men and put them into action. Dick has also done an outstanding job as Member-at-large of the 1955-56 Student Council.

On the social side, Dick has been even more successful at George Washington. He met his future wife, Barbara Wolin, his second day in college, and four months later they were a steady pair. Come June 10 and they will be husband and wife. Dick thinks the world of his fiancée, and with good reason; for, aside from being the vice president of Mortar

## Activities Calendar

• ALL CAMPUS organizations that wish to place dates on the 1956-57 activities calendar must turn in requests to the Student Activities office by tomorrow, announced Jane Rosenberger, Student Activities assistant.

Board, Chairman of the 1956 Fashion Show and a member of "Who's Who," Bobbie is one of the friendliest and most popular girls on campus. And she has a Q.P.T. of almost 3.7! Dick's one complaint about his fiancée is that he can "never beat her in a game of Scrabble." (He has won once, however.)

## Spare Time

In his spare time—of which there is not much—Dick enjoys writing. He also loves "sports cars and classic cars," and hopes one day to own one.

September will find our very outstanding senior at the University's Law School; Bobbie will also return to school in the fall, but this time as a teacher.

Best of luck to our future lawyer and his intended.

# Dorm Says Good-by To Favorite Hostess

by Doris Rosenberg

• AFTER SIX YEARS as hostess of Strong Hall, Mrs. Zoia Van Winkle is leaving to retire.

Mrs. "Van," as she is known by all the girls of Strong Hall, intends to leave around the middle of August, but says she "may be here in the fall to get the new hostess started."

Before coming to Strong Hall, Mrs. Van was a hostess at the University of Idaho. Although George Washington is quite different from this small campus college, Mrs. Van says she has "loved" being the hostess here. The girls in Strong Hall feel the same way about having her for a housemother. Last week they gave her a surprise going-away party, at which they presented her with a lovely string of pearls and a carnation corsage.

Flower arrangement and basketry occupy a good deal of Mrs.

Van's spare time. She enjoys handwork with basketry very much, but says, "Flower arrangement is perhaps the one I have enjoyed most since I have been here."

The rest of her leisure time is spent with her daughters, two of whom live in the vicinity of Washington.

As hostess of Strong Hall, Mrs. Van has had full charge of the working part of the dorm, and has been the adviser to the Strong Hall Council, which makes and enforces the rules of the dorm. (The Council is composed only of Strong Hall girls, as the dorm is a student-governing one.) Mrs. Van has attended almost all of the student programs since coming to the University, and says, "I really have enjoyed them."

After leaving this summer, Mrs. Van plans to live with one of her daughters here.

## J. Paul Sheedy\* Was Always A Scapegoat Till Wildroot Cream-Oil Gave Him Confidence

It got Sheedy's goat the way everyone kidded him about his messy hair. Even his girl horned in: "Sheedy, you shaggy stinker, you lack confidence—you're pasture prime." Well J. Paul felt pretty sheepish about this, so he tried Wildroot Cream-Oil. Now he has confidence in any situation because he knows his hair looks healthy and handsome, the way Nature intended... neat but not greasy. Wildroot Cream-Oil contains the heart of Lanolin, the very best part of Nature's finest hair and scalp conditioner. Try it yourself. Butter get a bottle or tube of Wildroot Cream-Oil today. With Wildroot on your hair, the girls will go to any lengths for a date with you.

At MIT's Lincoln Laboratory in Lexington, RAND is helping to develop programs for the new SAGE system of continental air defense. The SAGE system, perhaps the most advanced and comprehensive effort toward complete automation yet attempted, is centered around the largest and most intricate digital computer designed to date. At Santa Monica, RAND's System Development Division is using IBM's 701 and 704 computers in a scientific program for the Air Defense Command.

For further information about these opportunities at The RAND Corporation, make an appointment at the University Placement Bureau to see the RAND Representative who will be on campus Friday, May 18, or write to Bob Nash, 1700 Main St., Santa Monica, Calif.

## Student Gets Fellowship In Philosophy

• A UNIVERSITY GRADUATE who escaped from Czechoslovakia to come to America in 1949 has been awarded a national Woodrow Wilson fellowship for one year's study of philosophy at Johns Hopkins University in Baltimore.

Eva Reinitz, who received her A.B. in philosophy in February, was born in Germany and fled seven years ago from Czechoslovakian communists.

Miss Reinitz studied six years, attending night and summer school at the University, and last year was elected to membership in Phi Beta Kappa, national scholastic honorary.

Miss Reinitz was among seven local students to receive fellowships under the program. Nationally, 174 recipients were announced by Princeton University.

Designed to help students with "marked promise for the teaching profession," the national Woodrow Wilson fellowship program was initiated at Princeton in 1945, when four recipients were selected. The program is jointly underwritten by the Association of Graduate Schools, a part of the American Association of Universities, with grants from the Carnegie Corporation of New York and the General Education Board.

## Girls Participate In China Study

• MEMBERS OF Mortar Board, senior women's honorary, and 125 junior and senior women participated in a "China Study" last Friday in the Strong Hall lounge.

The study was sponsored by Mortar Board to raise funds for their service projects. The group received payment from the Royal Doulton China Co. for their aid and participation in this work.

Rosa Weiner, director of the study, said the display contrasting temporary and traditional china designs was particularly interesting.

## Orientation Plans Add Curriculum Assembly

• A LONGER ORIENTATION period designed to prevent the confusion of concurrent rush and registration has been announced by Myra Little, Student Council freshman director.

The tentative schedule will open with the orientation assembly, followed by the Panhellenic and I. F. C. assemblies, Thursday, September 13. Sorority rush will begin September 15 and 16.

Two curriculum assemblies will be held. The first, September 14, designed for day students, and the second, September 17, for night students. The AFROTC assembly will be held after the September 14 curriculum assembly, and the Big Sis coffee hour will follow the night student meeting.

A square dance will be held in Building J Friday, September 21. The first pep rally of the football season will be held on Lisner terrace September 24, followed by a social dance in the gymnasium.

A pep rally is scheduled for October 25, to precede the football game with William and Mary October 26. The Homecoming dance, October 27, will be held at the National Guard Armory, instead of at the Sheraton-Park Hotel as originally announced.

## Novice Places First in Contest

• FIRST PLACE in the Isaac Davis senior oratorical contest held May 11 in Lisner auditorium was won by Beaumont Martin.

Mr. Martin's speech, "Laokoon," was his first experience with public speaking. The winner is a pre-med student majoring in history and will graduate in October.

Herbert Gildenhorn won second prize with "Freedom Is Everybody's Job," and Suzanne Bregman was third with "Truth Revisited." Each speech was original and lasted no longer than ten minutes.

Judges were Dr. Jack H. Yocum, director of speech and drama at the American University; James Harding, civil division, Department of Justice; and J. W. Hunt, instructor in classics, Georgetown University. Mistress of ceremonies was Betsy Evans.

## Dancers Give Techniques O Asia And U.S.

• A PROGRAM OF dances by prominent dancers from Indonesia, India and the United States will be introduced by Doris Humphrey, leading American choreographer, tonight at 8:30 in Lisner auditorium.

The program, entitled "The Drama of Dance as a Universal Language," is being presented by the University as part of a UNESCO conference on "social change on Southern Asia and the United States."

### Free Program

The conference is a summation conference sponsored by the American Council of Learned Societies in Washington May 14 to 19, for scholars from Southeast Asia who have been studying at institutions of learning throughout the United States. Tuesday's dance program will be open to the public. Free tickets are available through the American Council, 1219 16 St., N. W.

A portion of the concert will be devoted to introducing and comparing parallels and contrasts of dance gestures, such as the interpretation of such a posture as weeping by dancers from each of the three cultures.

### Radio Show

Pauline Koner, American modern dancer, and Bhanumanthi, Indian dancer, will appear on Patti Cavin's show today at 12:30 p.m. on station WRC to publicize the dance program.

## Editors Distribute Annual May 15, 16

• THE 1956 CHERRY Trees arrived Friday and will be distributed in the Student Union today and tomorrow, 11 a.m. to 1:30 p.m. and 5 to 7:15 p.m.

The majority of the 850 annuals are allocated to Campus Combo holders and to students ordering them in last winter's sales campaign. The remaining books are available at the distribution booth for \$6, according to editor Peggy Nichols.

The year book is planned on a theme of "What's Life at G. W.?" carried out through the pages of the book. Separate sections cover administration, Greeks, honorees and organizations, features, sports and seniors.

"We're glad that the Cherry Tree seems to be getting such an enthusiastic response," Miss Nichols said.

Norman Cohen is business manager of the annual. Charlene McDonald, Paula Williams and Roger Spitzer are associate editors. Miss McDonald will be editor-in-chief of the book next year, assisted by Terry Root, Edmund Crump and Ronald West as associate editors.

Students unable to pick up their yearbooks at the time scheduled should contact Nancy Wilson, circulation manager, at Strong Hall, Metropolitan 8-5322, to arrange a convenient time. Combo holders who have lost their card may obtain a duplicate from Miss June Rosenberger in the Student Activities Office.

The cards are required as identification when picking up annual ordered through purchase of the Combo.

Any books left after the close of the spring semester will be sold this summer at the \$6 rate to students interested in purchasing the annual.

## Dr. Faith Speaks At Work Shop

• DR. DON C. FAITH, director of activities for men, addressed the Old Men spring workshop last Saturday in Government 102.

The workshop explained the purpose of Old Men and plans for the coming year were discussed. Members of the executive board outlined their duties.

Big Sis also held its annual spring workshop last Saturday, in the basement of Government. After a coffee hour, short talks were given by Dr. Gloria S. Godbey, associate University physician; Jean Buckley, assistant to the director of women's activities, and Carol Dalton, outstanding Big Sis of 1955-56.

## The secret—they're SYNCHRO-DYNED!

They're called the sweetest playing clubs in the book, and for good reason. Spalding's exclusive SYNCHRO-DYNED® club process, a scientifically exact system of weight coordination, gives each club in the set the identical swing and "contact feel" to help groove your swing.

And this new Bobby Jones set is as handsome as they come. The irons feature an exclusive tough alloy steel with a glistening high-polish finish that lasts season after season.

If you're interested in whittling strokes off your game (and who isn't?) see and swing the 1956 Bobby Jones SYNCHRO-DYNED clubs at your Spalding dealer's.

**SPALDING**  
SETS THE PACE IN SPORTS

by Dick Sincoff

**MANY THINGS HAPPEN** in four years, and when the time is up, you try to remember the notable events of the many college athletic seasons. You search for the personalities, the guys you knew and know, the fellows you ate dinner with in some other city, and the boys who starred on the home fields.

You recall your first year and your first football season when little Blino captured the fans and Jim England stood out on the end. Steve Korchek you knew would someday be called an All-American center, and he was.

New seasons came, and Korchek and Richie Gaskell got their national recognition. That first year was Len Ceimneicki's year, and you think back that he never again reached that peak. There were the other guys, Norb Danz and Joe Boland, and Dick Gaspari and all the rest, and there were the games. You'll remember the game we trailed Maryland 7-6 at halftime before they bombed us, and the sunny crisp day in Charlottesville when we beat Virginia.

The Washington high school dash champ came to G. W., hopped into a pair of khaki padded pants, and he's been running ever since. You'll remember this boy, Mike Sommer, because you know he'll be something, and you know that if he played for Notre Dame, he'd be an All-American.

You remember also in that first year that a big boy came out of Pennsylvania to start playing basketball. They called him Big Joe. He became the highest scorer in our history, fifth highest in all-time college scoring, the most accurate shot in basketball records to top rebounder in the land. He was quiet and serious, but the biggest noise for miles when he trod the glazed boards. With Joe Holup you remember Corky Devlin, the brilliant Mr. Outside, and George Klein, Eliot Karver, Buzzy Ciriel, and you wonder if this isn't

the end of the greatest era in Colonial basketball.

You remember watching the Buff blister the other teams and you remember the stunning up-sets and the slumps.

You figure you'll remember basketball for other reasons as well. How will you forget the trip to the tournament in Oklahoma City two Christmases ago, when you saw Bill Russell, K. C. Jones, Joe Holup, Don Boldebuck, and Corky Devlin in the same tourney.

They you'll remember the landing at Kansas City when Carroll Hall, our sports publicist, and a plane load of people had a scare over the river. You remember joking with Carroll about that one, but you know that you were frightened at the time. There was a big party for the press that Christmas in Oklahoma and Carroll dragged you along, and you sat in a plush penthouse club 42 stories over the flat southwest country side and listened to the big reporters and the pro scouts and the important men in the NCAA. For this was the nation's oldest holiday tournament and they were all there.

Then you remember your first night in Madison Square Garden when you knew that G. W. would lose that night, but you told only one other person because you hoped to God you were wrong. The trouble was you were right.

You remember the bitter cold of the press box at Griffith Stadium and trying to type the play-by-play when your fingers were numb. And don't forget the laughing Frank Continetti and the busy Carroll Hall, both of whom were the men who batted out the sports publicity in building R.

You think that college sports have been good to you, and you're right. They have. They've broadened your friendships, your experiences and your travel. You remember the wins, the losses, and the guys who ate poached eggs before game time.

with a ho-ho-ho  
and a HA-HA-HA,  
she laughed when I did  
the CHA-CHA-CHA

The marimbas were marimba-ing, the bongos were bonging and we were gaily dancing a cha-cha-cha. That is, until I noticed Gwendolyn doubled up with laughter.

Worst of all, the joke was on me. There I was, trying my best to be suave and sophisticated ... in an old-fashioned tux that seemed to have a built-in heater.

Ah, but I had the last laugh! The next day I bought a new After Six Dinner Jacket. At last—formal wear that made me look great, yet weighed half as much as my old tux! Why not retire that funny-lookin' relic and get yourself a cool, comfortable, modern After Six?

## SPE Defeats Lions, 2-1 With Hurling of Schmidt

by Chis McAvoy

• THE SPE LODGE rang with the cheers of victory on Sunday, as they celebrated the winning of the Intramural Softball Championship. They won in highly deserving fashion by trimming Phi Alpha "A" 7-2 in the semi-finals and brought home the coveted Championship with a well-played 2-1 victory over the Lions.

In the semi-final games Bob Schmidt, SPE's pitching mainstay, limited Phi Alpha "A" to two fourth-inning runs. His teammates, in the meantime, were comfortably ahead on the basis of a single run in the second inning and a six-run barrage in the third to which Fred Strub and Jack Dano contributed two-run singles. The Lions advanced to the finals at the expense of Phi Alpha "B," on Roger Spitzer's pitching and a homerun by Dick Young, 5-2.

The Championship game proved to be a real pitcher's duel, as both Schmidt (SPE) and Young (Lions) yielded but two hits.

In the All-Phi Alpha battle for third place the "A" team defeated the "B" team, 13-0 before an approving crowd of Spring-Housepartying Phi Alphas and their dates.

Final results of spring sports: Badminton—1. Phi Alpha; 2. tie between SX and Phi Sig; 3. DTD. George Lin defeated Sandy Schlemmer for the Individual Trophy. Golf—1. Phi Alpha; 2. SAE; 3. Theta Tau. A tie between Mickey Croce (SX) and Horace Gilliam (Law School), both with 39's, will be played off this week for Individual low.

At the annual Intramural Awards Dinner, Dr. Faith presented the 1955-56 All-University Trophy to Phi Alpha, winner of the cup for the fourth consecutive year. Kappa Alpha received the Sportsmanship Trophy from Director DeAngelis, while team awards were presented by Dr. Krupa and Coach Ray Hanken.

## Rowing Team Places Third

• THE ROWING Club team came in third trailing three lengths behind the George Washington and Washington-Lee High School eights in a mile race last Saturday at Hains Point.

The race marked the beginning of a very promising future for the University. At present the team is composed of students in the rowing club and has not been officially recognized by the University. However, both the University and Rowing Club officials are getting together in an effort to get an official sanction from the University.

The Colonials got off to a good start and were in second place at the quarter mile. At the half mile Washington-Lee caught up to the Colonials as experience and previous competition helped both the George Washington and Washington-Lee High eights.

This was the finale for the year for the men who started meeting in February to see if there was enough student interest in a rowing team.

This race marked the first competition for five of the starting team, Ahmed Shah, coxswain, Fred Dibbs, Frank Estep, Wylie Barrow and Chis McAvoy. These men, along with Sandy Morrison, Bob Moore, John McLane and George Post, who had previous experience, had been practicing every afternoon for two months under the tutelage of Coach Ron McKay.

## Colonials Can Grab Title By Beating Richmond

by Paul Truntich

• THE COLONIALS took a commanding lead in the Southern Conference last week, splitting a double-header at VPI, winning 5-4 and bowing 9-4, while knocking off Washington and Lee 5-2. In between the two dates, the Buff dropped a game to arch-rival Maryland, 7-3.

G. W. can sew up the conference crown this week by winning one of two home games with Richmond Tuesday or William & Mary Thursday, no matter what the other contenders do. The Buff closes its highly successful season against Maryland Friday at College Park.

Steve Bauk was nearly the whole story in the two Colonial victories. After starter Stan Walowac was chased in the fifth inning of the second VPI game, Bauk took over and shut the door against the Gobblers, facing only eight batters in 2½ innings to pick up his fourth conference triumph and sixth overall.

Bob Reid insured the victory by singling home the winning run in the sixth and making a great catch in the seventh for the final out.

Against W&L, Bauk hurled the best game of the year, limiting the Generals to only three hits, while fanning eight and walking but two. Steve never looked better in chalking up his seventh win, forcing the W&L batters to either pop up or ground out when not whiffing.

G. W. ended their four game trip through Virginia with a twin-bill at VPI last Monday. Although outhitting the Gobblers in the first game 8-7, the Buff lost by a 9-4 score, being unable to overcome VPI's five-run outburst in the first inning. Southpaw Roger Turner started for the Colonials and couldn't get the ball over the plate. Turner walked five of the first six men he faced to give the Gobblers two runs. George Bickerton relieved Turner, but he too wasn't very effective, giving up a two-run single and wild pitching the fifth run home.

VPI picked up a single run in the second and three more in the

third for a 9-0 lead. G. W. tried to get back in the game, scoring three runs in the fifth. Reid got a gift triple when centerfielder Burke slipped on the wet grass and allowed Reid's fly ball to sail over his head. Jim Hill walked and Jack Hennes got an infield-hit scoring Reid. After Bo Austin beat

out a roller to short to load the bases, Ray Looney blasted a long double to right sending Hill and Hennes home and Austin to third. The rally died, however, when Ted Colna fouled out and Dorish popped to second.

Stan Walowac started the nightcap and pitched adequately until being hit hard in the fifth. The Buff scored in the first with Hill getting hit by a pitched ball and Skinny Saffer reaching first on a walk. A wild pitch advanced both runners and Austin's sacrifice fly to center scored Hill.

The Gobblers overcame that lead and went ahead with two in the third, but the one-two combo of Austin-Looney once again unleashed their power to bring three tallies home in the fifth.

In the bottom of the fifth Walowac was derrickied, giving up a triple, double, and single for two runs to tie the score at 4-4. Not

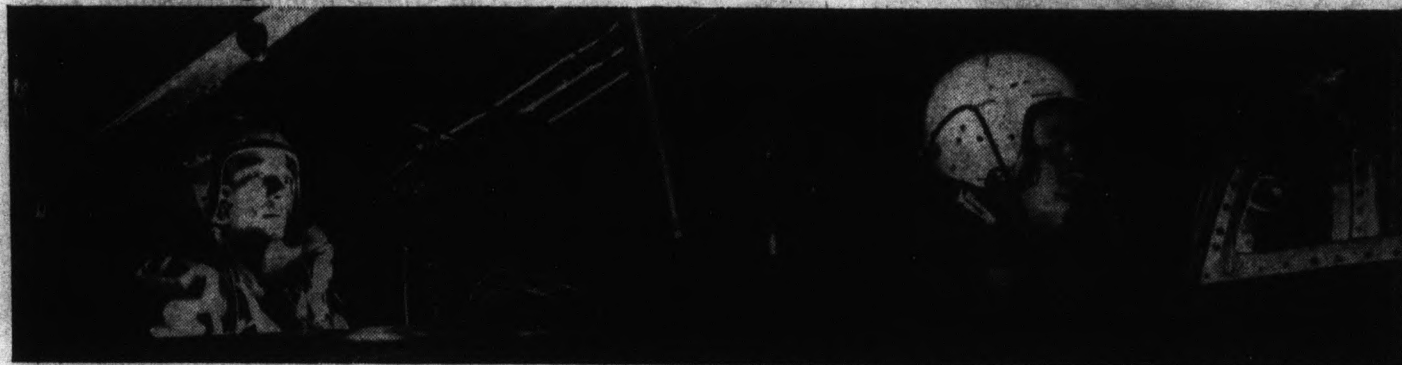

helping the Buff was a questionable call at the plate when the umpire missed one—there were others—by calling the runner safe. But Reid came through with his game-winning single and tremendous catch, and all was well.

G. W. took a step closer to the championship by defeating W&L Friday at the Ellipse. The Colonials took a 5-0 advantage after six, and with Bauk pitching great ball, it was like money in the bank.

In the game with Maryland at College Park, the Colonials were flat and didn't play the type of ball they were capable of. A let-down was in store after their successful road trip in which they won three out of four. Dick Claypool made his starting debut on the mound and pitched well for five innings. Dick scattered seven hits and left the game with a 3-2 lead.

Roger Turner took over and was the eventual loser, his own wildness and errors by his teammates leading to his downfall.

Pot Shots: The one-two punch of Austin-Looney really murdered conference pitching. Austin hit .406 and drove in 17 runs, while Looney clubbed .366, drove in 14 runs and blasted 7 doubles and 2 home runs. Bob Reid also smashed the ball, hitting .372. The Buff also had a 1-2 punch in pitching. Bauk won 5 with a sparkling earned run average of 1.61, and Walowac chalked up 3 wins and a 2.76 ERA. Cilento showed the best fielding of any shortstop in the conference. As a team the Colonials had a batting average of .288.
